To Our Returning Students: Welcome Back!

It is hard to believe that another school year *has ended*. We had **so many fun memories** last year. This semester, I will be introducing many new opportunities for having fun with English, including the **new English Wall, Aubrey's Corner, and many other projects!**

Thank you to all the students who gave me **feedback** for improving my *Monthly Newsletter* and my *English Café* projects! Let's continue to do our best together! What new memories will we create together?

Let's have fun and learn and grow together!
